ABOUT THE GOLF GUIDE MAGAZINE

Golf Guide Ltd. is fast becoming the voice of Golf - acting locally but thinking nationally - with regional magazines in the North West & Cumbria, Yorkshire & North East, The Midlands, Portugal and Spain plus a further 12 regions planned over the next 2 to 3 years.

The Golf Guide Magazine is a directory for Golf Clubs to advertise their unique facilities in a classic 'advertorial' style. It is distributed free of charge to all of the clubs in a region, around their clubhouses for members and visitors to pick up and read. Each region is published 4 times per year in the UK with 10,000 copies per edition, giving a distribution of 40,000 per year and over 200,000 for all the regions combined.

In addition to golf clubs, the publications are distributed to professional service firms including Banks, Accountants, Law, Corporate and Insolvency firms along with regional hotels, transport hubs and car dealerships with an ever growing number of subscribers. Using our network you can have local exposure but with a national presence - it really is the guide everyone has been waiting for!
